About AIA & AIA Colorado

For more than 150 years, members of The American Institute of Architects (AIA) have worked with each other and their communities to create more valuable, healthy, secure and sustainable buildings and cityscapes. AIA members have access to the right people, knowledge and tools to create better design, and through such resources and access, they help clients and communities make their visions real. With more than 2,500 members, AIA Colorado, the voice of the profession of architecture, inspires and supports its members as leaders to improve and sustain the quality of the built environment. We promote the value of the profession and provide resources and education for members. Visit www.aiacolorado.org for more information.
